

Hollin Primary School

P.E Clothing Policy – November 2014

- No jewellery at all (see jewellery policy).
- No plasters over studs. Children who cannot take earrings out will not do PE and parents will be informed. Teachers cannot take children's studs out.
- PE kit for indoor PE will be shorts and t-shirt and bare feet for dance / gymnastics. If children are doing indoor games pumps or trainers may be worn.
- For gymnastics, t-shirts must be tucked in.
- Outside games kit is shorts and t-shirt, pumps or trainers. Tracksuits and jumpers may be worn if it is cold. School jumper may be worn over PE kit if child has no other jumper.
- Use discretion on who shouldn't do PE. Notes from parents don't always mean automatic exclusion from PE. Parents will be phoned to verify illness and explain, if parents cannot be contacted then the child participates. School policy is 'if the child is okay to come to school, he/she is okay to do PE'
- Children not doing PE due to illness on the day should be sent to another class.
- Each class will have spare kits and pumps. If a child does not have kit, he/she must borrow. Names should be logged and letters sent home.
- No children are to do PE in any part of their school uniform.
- All changing in classrooms as children cannot be supervised in the toilets. If a child needs privacy for some reason arrangements can be made i.e. medical / lack of underwear.
