Cath Howe

On Wednesday 24th May 2023, we were lucky enough to meet a fantastic author, Cath Howe. Cath has written and published a number of best-selling books, including *Ella on the Outside*. Cath talked to our pupils about her newest title, *My Life on Fire*.

Cath took the time to speak to our Year 5 and Year 6 pupils about writing and the books that she has written and the themes included within them.

Our pupils learnt about the realities of being an author and the writing process. There was an opportunity for our pupils to ask questions and they thoroughly enjoyed this aspect of the afternoon.

Each class in Year 5 and Year 6 now have a set of signed books to add to their class libraries.

A special thanks goes to the staff at Madeleine Lindley, for offering us this fantastic opportunity for our pupils.
