I cannot find the words to express how Dan's presentation impacted on me; he is inspirational. I feel privileged to have heard his story. What he is doing is fantastic. My daughter is in Yr 5 & she loved his talk this morning. Thank you All.

Been to the Live well event today at school. @Danny_wilsher was fantastic.
He was open, honest and passionate about mental health for adults and children. Great guy who deserves every bit of happiness.

A fantastic and inspirational talk this afternoon @HollinPrimary on mental health.
