

E-Safety day – 5th February 2018

Led by Mr Brooks

Mr Brooks visited us on Monday 5th February to help us celebrate E-Safety week. Children from Reception to Year 6 enjoyed an assembly followed by class workshops with Mr Brooks.

Across the school, children have demonstrated that they have a fantastic knowledge and understanding of ways in which they can keep themselves and their friends safe when using digital devices.

We are **Zip it, Block it, Flag it** superstars!

Ask your child to explain to you what Zip it, Block it, Flag it means.

 <p>ZIP IT Keep your personal stuff private and think about what you say and do online.</p>	 <p>BLOCK IT Block people who send nasty messages and don't open unknown links and attachments.</p>	 <p>FLAG IT Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.</p>

Our **Digital Leader team** were also lucky enough to have a session with Mr Brooks. They listened well to advice and asked lots of well thought of questions.

They demonstrated a fantastic knowledge and understanding of digital devices and computing terminology.
