Key Stage 1 E-Safety Pupil Survey

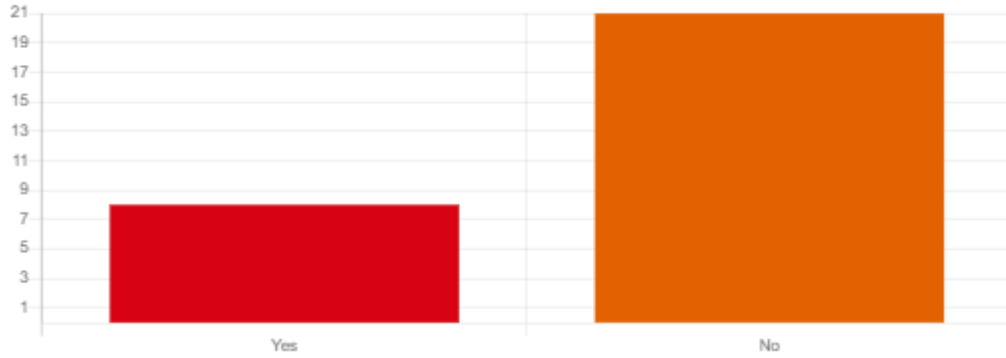

32 children in KS1 took part the Pupil Survey on E-Safety that our Digital Leaders set for Internet Safety Week in February 2023.

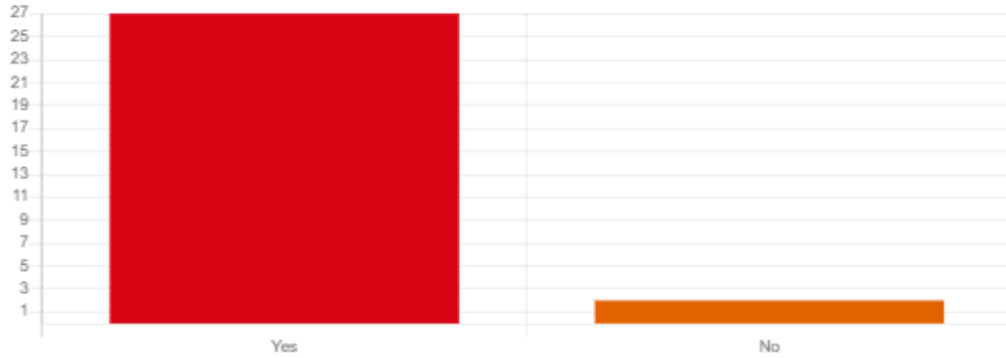

Do you feel safe when you are online at school?

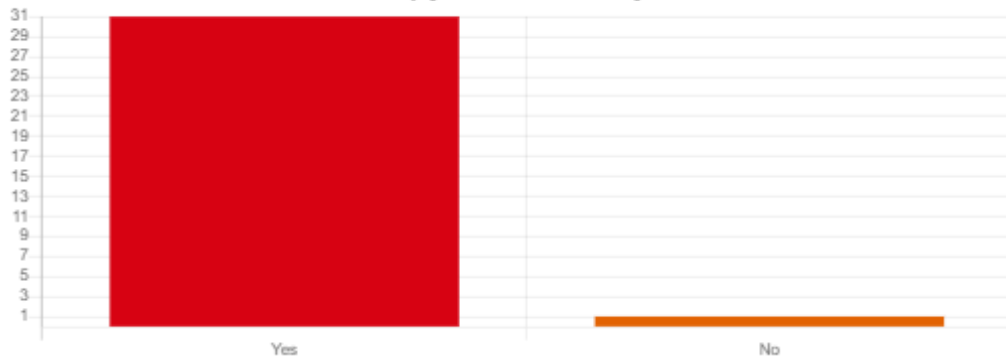

Have you been upset by something online?

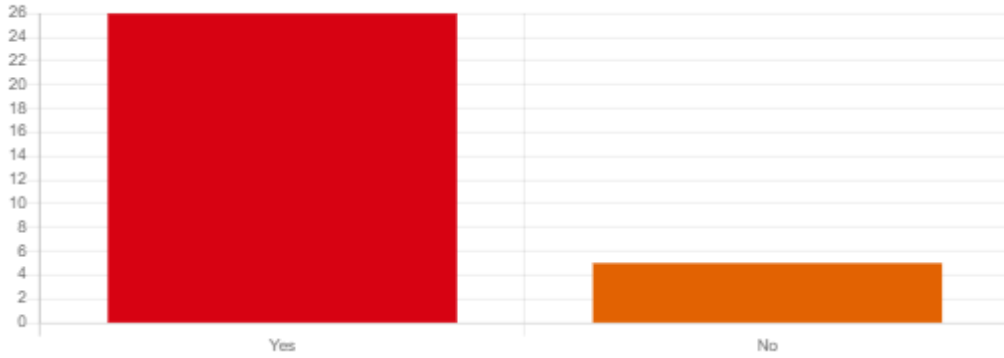

Does someone help you at home when you are online?

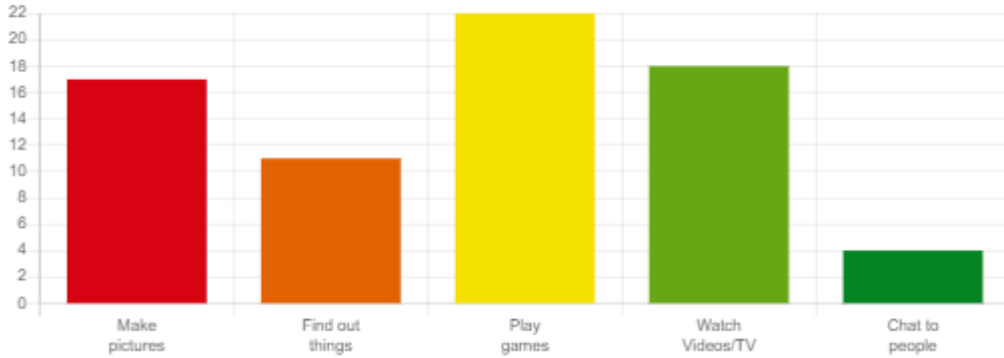

Does someone help you at school when you are online?

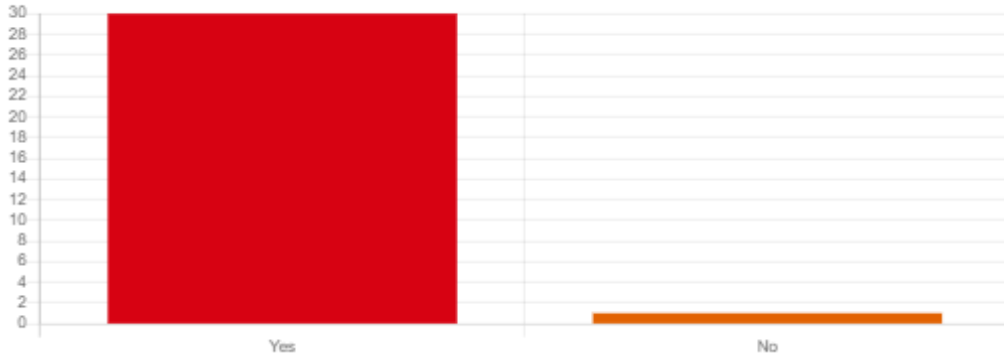

If you are upset by something online, do you know who to talk to?

What do you do online?

Do you know our online safety code?

Can you write our online safety code?

Areas for Development (if appropriate)

Continue to teach online safety as part of our curriculum and encourage children to talk about things they do online and who they can talk to.

Share resources with parents through Wake up Wednesdays.

Plan a work shop for parents about online safety.

Share with teachers those children who have been upset by something they have seen online and have an open discussion.
