Dear parents and carers,

I am very sorry that school had to be closed earlier today. Thank you to the parents/carers who came to school promptly to collect their children.

In brief, there was a strong smell of gas close to the school site and I was advised by engineers that the gas would need to be turned off. The knock on effect was no heating and the catering staff would have been unable to prepare lunches.

**The gas engineers assure me that school is safe to reopen tomorrow.**

**The Nursery and Reception Christmas performance will go ahead at 9:30am in the hall.**

Thank you for your understanding.

Mr David Fenton  
Headteacher
