It was amazing to spend time with the kids in school, nice activities to do together, loved the mum and child hand prints. Lovely cupcakes and drinks. Thank you so much.

What a lovely afternoon so positive and cheerful. The message video was such a lovely touch.

It was a beautiful morning very enjoyable, I do think it would be best to do it an hour before home time so the children are not so upset when leaving. This would also save the staff from after to calm them down. It's not negative feedback just a suggestion 😊 thank you for arranging.

It was a lovely morning! It was amazing to play with Eric in his school environment, he was so excited to take me round and show me all of his favourite activities. I liked that we had some special themed activities too, like the biscuit decorating and hand printing. It was lovely that there were drinks and cakes available too, that was a nice touch.

The teachers had put in a lot of effort to prepare numerous activities for the mummies & kids. There was a lovely spread of food. We had a wonderful time. Thank you. Really appreciate your efforts & care.

We had lots of fun in the Adventure Play area and the cookie decorating was a very nice treat - thank you
