Dear Parent/Carer

Our Early Years department are taking part in 'World Nursey Rhyme' week. Nursery rhymes are important for children under the age of seven. They play an important role in early childhood development and education. As well as being fun they are excellent teaching tools:

- Nursery rhymes and children's songs boost vocabulary and language development
- They help children to develop literacy skills
- They provide a fun way to support early numeracy skills
- Nursery rhymes help children to develop social, physical and emotional skills.

We have been learning a selection of nursery rhymes and the signs to go with them, taken from 'signalong'. We would like to invite you into school on **Friday 22nd October** for a performance of our nursery rhymes. The children have been working hard to learn the words and the signs to each song. The performance will begin at **9.15am** and there will be refreshments available until 10am.

Kind Regards,

Miss Hill
Early Years Foundation Stage Leader
