He's always excited to come to school and loves Breakfast Club too. He enjoys drawing and really loves doing his sign language.
Parent of Reception child

Thanks to you and your team for your patience and support we really enjoyed hearing the feedback.
Parent of Reception child

Thank you so much for all you and the staff do for XXXX. He loves coming to school and I have seen a massive improvement in XXXX speech which school has helped contribute toward his progress.

Parents asked us to consider the following:

- 1. Would be great if you used Parent pay.**
- 2. I think XXXX would have really benefited from being in the teacher/parent talk as I think it would have boosted her confidence hearing what was being said.**
- 3. Although I love the school, I think that sports letters for after school sports could be handed out more fairly. It's always the same faces on the pictures on Twitter.**
- 4. I feel more communication is required. It seems to have dropped off since Reception and I feel out of the loop. I appreciate Year 1 is more focussed on work but more communication would be appreciated.**
