### **Parents asked us to consider the following:**

- 1. Five parents have asked to look at the viability of an after school club and holiday club.**
- 2. Would love more social situations for parents to be involved in.**
- 3. Please can we have more detail on the reports? Working towards seems very broad.**
- 4. I think the children would benefit from a 5 minute break in the afternoon.**
- 5. Would like more communication if there is anything we can specifically work on at home.**
- 6. Giving other pupils the opportunity to do sports after school as it's always the same pupils.**
