

Relationship and Health Education

Our RHE lessons promote Children's emotional health and wellbeing. This has a huge impact on their ability to learn. We have a whole school approach in order to keep children safe, improve behaviour and raise achievement. We also include relationships and health education. As a school we follow the Coram life Education Schemes of work – they are a leading provider of relationships, health, wellbeing, and drugs education to almost half a million children across the UK, delivered under the strapline 'Helping Children Make Healthy Choices'.

Hollin Primary School
