Your child's password is unique to them and they need to type this in.

Your child's password has been shared with them.

In addition to using this website in school, it can be used at home too on a laptop, tablet or iPad. It can be used on a mobile phone too but it is not as easy.

Your child has been encouraged to complete a mini test each time rather than a full test.

I hope your child enjoys using this website.
